

Mark Kocher, President of Millennium Geomatics Ltd is pleased to welcome Victor Hut, P.Eng., ALS to the company as Vice President. Victor brings with him over twenty years of experience within the surveying and geomatics industry and will provide strong leadership to facilitate Millennium's future business growth.

Kocher adds, "Victor brings a lot to our company. His leadership, professional reputation, and understanding of our clients' business will help us grow in a manner consistent with our corporate strategy. He will be an integral part of our strategic planning, mentoring, marketing, and business development. We consider ourselves very fortunate to have him join us."

Millennium would also like to welcome Paul Hatch, ALS, and Jeff Main as its two newest project managers.

Kocher further highlights, "The addition of Paul and Jeff enhances Millennium's ability to provide efficient and responsive service to our growing client base. Hiring the right talent to utilize new technology and streamline processes gives us competitive advantage. It takes quality people to achieve this - and that's what we have at Millennium."

Millennium Geomatics provides professional surveying and geomatics services to the oil & gas sector throughout Alberta.

"Small enough to respond.  
Large enough to deliver."
